

## 2.8m Tender

\$2,200 incl. GST

The 2.8m poly boat is perfect for recreational use, commercial workboat use, as a yacht tender, or ideal as a Floundering punt. Stability of this vessel is unreal when fully loaded and has been tested with 10 men while it maintained flotation. The vessel is rated to 15 HP and the load capacity is 3 persons. Unloaded, it is fast and responsive.

**Inclusions:** builders plate, transom plate, two seats, front locker, grab ropes.

**Optional extras:** outboard, anchor, oars, trailer.
